## Old Cars Fun Day Saturday August 12th, 11:00 a.m.

## Huron Yacht Club Luncheon & Boat Show Saturday August 19th, 10:00-4:00

Our 11th annual **Old Cars Fun Day** will be hosted by WRS President Rod Thompson (3175 Roundwood Rd., Hunting Valley, OH 44022). This event is focused on Mercedes-Benz models of the 50s, 60s, and 70s, but all years and models are welcome at this popular event. Old Car Fun Day is a forum for owners and enthusiasts to meet each other and chat about their experiences as drivers and owners of older M-Bs. If you have a question or are experiencing a problem with your car, this is a great opportunity to get answers from the group.

Several featured presenters will highlight our event: **Gene Blackford** (The Red Lacquer Room) will present techniques for paint and body restoration. What is the best approach for minor fender scrapes—rub out, repair, paint or restore? **Niko Koutavas**, (Detailed Xpress) will present detailing techniques for different areas of our cars. As an added bonus, another friend of our club, **Frank Wrenick**, will discuss his recent best-selling book entitled "Automobile Manufacturers of Cleveland and Ohio 1864-1942". This is a fascinating look at the heyday of auto manufacturing in our hometown.

More details on the topics for the day can be found at [www.benzclub.org](http://www.benzclub.org)

**Registration is \$18 per person** and includes a luncheon of pulled pork with cole slaw sandwiches, potato salad, & refreshments.

Our 5th annual **Huron Yacht Club Luncheon** will begin at 10:00 am at Mercedes-Benz of North Olmsted (28450 Lorain Rd., North Olmsted) where we'll enjoy coffee & donuts—and have plenty of time to ogle a great selection of new and pre-owned Mercedes-Benz on display. The group will depart @ 11:00 to caravan to the Huron Yacht Club (350 Huron Street, Huron OH 44839) to arrive by noon.

Our hosts, Western Reserve Section members Ron and Darlene Renzoni, have arranged a special parking area for us to display our cars. Upon arrival, we'll enjoy a selection of appetizers at the outside bar during social time to catch up with friends. A highlight of our day is a visit to the boat basin to see a display of antique wooden boats. We'll have an early dinner at 3:00 in the club dining room—order and pay off the menu.
