

Collector Car Restoration Clinic!!

See the difference between reality TV and real restorations!

Join us on Saturday, March 24th from 10:00-12:30 for an up-close look at the restoration process with a special focus on the necessary research prior to beginning the restoration.

Our host, **Jim Capaldi**, established Capaldi Enterprises in 1989. Jim and his 7 staff members are involved in all phases of restoration except for upholstery and chrome plating.

- Jim will give us an overview of the restoration process as a vehicle moves through the shop
- We'll learn how the restoration process begins with a thorough analysis of a 1930s Delahaye that recently arrived for restoration
- There will be plenty of time for Q&A during the clinic
- Light refreshments will be provided.

Our clinic is hosted by **Capaldi Enterprises** (36420 Biltmore Place #1, Willoughby 44094)

Registration is \$10 per person and includes light refreshments
