5th Annual Huron Yacht Club Luncheon & Boat Show

Saturday, August 18th, 2016 11:30-4:30

Get prepared to have a fun, relaxing afternoon at our 5th annual Huron Yacht Club luncheon (350 Huron Street, Huron OH 44839). Plan to arrive at the yacht club between 11-11:30.

Our hosts, Western Reserve Section members Ron and Darlene Renzoni, have arranged a special parking area for us to display our cars. Upon arrival, we'll enjoy a selection of appetizers at the outside bar during social time to catch up with friends. A highlight of our day is a visit to the boat basin to see a display of antique wooden boats. There is also a nearby car show for us to enjoy. We'll have an early dinner at 3:30 in the club dining room—order and pay off the menu.

Questions: Contact Ron Renzoni rjr603@aol.com or 419-502-8815 (home) 724-316-5025 (cell)

Nelson Ledges Track Day Monday August 13th !!

Whether you are a first-timer itching to drive your Mercedes-Benz on a race track, or an experienced track driver who has not yet driven on the newly improved track at Nelson Ledges, this is the event for you! MBCA has partnered with the Lotus club, Lotus LTD, to present a performance driving school to give you the opportunity to learn more about the capabilities of your car while being coached by experienced instructors.

This is a low-key, non-competitive event so everyone can learn at their own pace. The goal is not to make race drivers, it is TO HAVE FUN! The cost is a low \$250 per person.
