ENJOY YOUR BENZ while driving on specially-selected roads through charming small towns, Amish communities, beautiful farmland, and rolling wooded trails of the world-famous Amish Country area of central Ohio.

TAKE A WAGON RIDE and FEED THE ANIMALS at The Farm at Walnut Creek (www.thefarmatwalnutcreek.com) near Sugarcreek, Ohio. We'll take a horse-drawn wagon tour through the farm that features hundreds of animals from around the world. You can feed the animals from the wagon. Be sure to bring your cameras. Adults, children, and grandchildren will love it.

ENJOY DINING WITH YOUR MBCA FRIENDS at The Amish Door Village (<http://www.amishdoor.com/>) in Wilmot, Ohio. Their homemade food will be served family style and includes their famous broasted chicken, roast beef, ham, real mashed potatoes, dressing (stuffing), corn, gravy, tossed salad, homemade dinner rolls, beverage, and a slice of their homemade pie.

WE'LL GET HAMMERED on the drive back as we stop at Lehman's Hardware and General Store (www.lehmans.com) in Kidron (near Dalton), Ohio. When you step into their 1840's era barn, you'll feel like you've stepped back 100 years in time. This should really appeal to the vintage car crowd! At Lehman's, being old-fashioned is always in fashion. Museum-quality antiques and thousands of products you thought they quit making years ago abound.

All this for only \$35 (adults), \$25 (children age 4-10), Children age 3 and under – free!

This fee covers your Farm at Walnut Creek tour and the Amish Door meal. Event runs "rain or shine."
In case of rain, we'll skip the Farm tour and refund \$10 per paid attendee.

ADVANCED RESERVATIONS AND PREPAYMENT ARE A MUST. RESERVATIONS AND PAYMENT MUST BE RECEIVED BEFORE OCTOBER 6, 2011!
