Cars & Coffee

SATURDAY, JUNE 5, 2020

10:00 AM-Noon

Hosted by Switchcars

(1521 Highland Rd, Twinsburg 44087)

Join other section members & car enthusiasts for a fun morning at Switchcars! Since it is June, we anticipate good weather so you can bring out your favorite toy (or your daily driver) for us to admire. In addition to looking at the selection of exotic and unusual cars on display while we enjoy the provided coffee & donuts, we'll get the chance to learn about Doug Tabbutt's adventures with the Cannonball Run

Our host, Doug Tabbutt, broke a 6-year-standing record in 2019 for the New York-LA Cannonball Run along with his partners Arne Toman and Berkeley Chadwick. Doug's vehicle of choice was a 2015 Mercedes-Benz E63 AMG that was displayed at the 2020 Cleveland Auto Show.

However, Covid lockdowns meant no traffic and no police on the roads, and multiple people took advantage of that situation to go beat the record with fewer obstacles. To add insult to injury, the Cannonball E63 was destroyed by a drowsy trucker, so Arne and Doug could not go reclaim their record.

Not to be dismayed for long, Arne built an Audi S6 in just a few weeks, which, while not as fast or capable as the Mercedes E63, was enough to help them reclaim their title as the fastest Cannonballers of all time.

Registration is \$7 per person to defray the cost of the refreshments and is available online at www.benzclub.org or by mail using the form below. The event will be held rain or shine.
