14th Annual Old Car Fun Day

Saturday, August 13th, 2022

Our 14th annual *Old Car Fun Day* will be hosted by WRS President Rod Thompson (3175 Roundwood Road, Hunting Valley, Oh 44022) on Saturday, August 13th. The event will start at **11:00 a.m.** and end when the last question is answered.

Old Car Fun Day is open to all years and models and provides a forum for owners and enthusiasts to meet each other and chat about their experiences as drivers and owners of older M-Bs. If you have a question or are experiencing a problem with your car, this is a great opportunity to get answers from your fellow enthusiasts.

An addition to this year’s program is a **symposium and group discussion** about powertrains and fuels of the past, present, and future. In the early 1900s there were many ideas about automotive fuel, and 120 years later it has become a big topic again.

We will be joined by Michael Peters, CEO and co-founder of Sway Mobility and National Treasurer of The Electric Auto Association, who will give us a **vision of what an EV world might look like**. Section President **Rod Thompson** will present information on **areas of concern** if we switch to EVs, and section member **Gary Goodman** will share his experiences while **living with an EV for over 50k miles** while traveling through the Midwest.

This should prompt a lively group discussion!!

Registration is \$20 per person and includes a luncheon of pulled pork sandwiches, cole slaw, potato salad, Great Lakes Oktoberfest Beer & other refreshments. **The deadline is Wednesday August 11th!**

Clip and mail the form below with your check payable to MBCA Western Reserve Section to: Rod Thompson (3175 Roundwood Rd. Hunting Valley. OH 44022) or register and pay online at **www.benzclub.org**
